Hi Nancy girl,

We've reached out to Tobias again and hopefully he will contact us.

If you have ANY pull in connecting us with him, I certainly would appreciate it. I've been trying to meet with him since August.

There's going to be another event mid September.

However, I have your information, and when we are ready to submit RFP for the window cleaning service we will include you in the vendor selection process.

Thank you,
Tobias Thornwell

Hello Tobias,

We tried to register; however, the event is sold out. Will you all be holding another event anytime in the near future?

Good morning Falisa,

The Prince George's Chambers of Commerce is hosting an MGM outreach event this week. During the event we will be speaking about OS&E opportunities that are still available. Window cleaning is one of them. Please visit their website and register to attend this meeting.

In the meantime, I will save you information to include in our RFP process.

Thank you,
Tobias Thornwell

Hello Tobias,

Please see the attached capability statement. We are MDOT certified and if we are awarded the contract we will get registered and certified with MLGCA.

Please let us know if there is any additional information you require. We look forward to the opportunity to partner with MGM.

All the best,
